- apply for insurance or give us your contact information
- pay your insurance premiums or file an insurance claim

## Why can’t I limit all sharing?

Federal and state laws give you the right to limit only

- sharing for affiliates’ everyday business purposes—information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.

## What happens when I limit sharing for an account I hold jointly with someone else?

Your choices will apply to everyone on your account.
